

## Fee Schedule

The SEEK™ Project does NOT charge small and independent practices for implementing the SEEK™ model for a 3-year term. There is also no charge for resident clinics and child advocacy centers. SEEK also does not charge those who participate in the SEEK MOC 4 or Performance Improvement Activity and those engaged in formal research on the SEEK model.

Aside from the above exemptions, there is a modest fee for large practices (more than 10 primary care professionals) and for health care systems or networks. This fee depends on the size of the practice or system. These revenues help sustain our work on SEEK™ and help us support those implementing the model.

Please contact Ms. Lakeisha Wilson at [lwilson@som.umaryland.edu](mailto:lwilson@som.umaryland.edu) to discuss this Agreement and a possible fee.

Non-US practitioners and organizations should contact [hdubowitz@som.umaryland.edu](mailto:hdubowitz@som.umaryland.edu) to develop a SEEK License Agreement.
